The review of the planning session of the 2018-19, we observed that many new Colleges joined NSS activities for the year 2018-19 and some Colleges have changed their NSS Programme Officers of NSS Units. It is felt that for the smooth functioning of NSS activities at College level required Mini Orientation for the new and Un-trained NSS Programme Officers.

You are requested to depute the untrained NSS Programme Officer of your College for the Mini Orientation on Duty Leave. The Colleges started NSS activities in the year 2018-19 must depute at least ONE NSS Programme Officer for the Mini Orientation Workshop as above.
