Sub:- Theme of NSS activities for the year 2024-25 - reg...

Dear Sir / Madam,

In reference to the above subject, I am directed to inform you that National Service Scheme (NSS) is aimed at including the spirit of responsibilities towards the society amongst the student youth. Its activities have two fold components i.e.

- (1) Regular Activities and
- (2) Special Camping Programmes.

Area need based activities are generally done under the Regular activities, whereas theme-based activities are undertaken under Special Camping Programmes. Special Camping provides unique opportunities to the students for group-living. Collective experience sharing and constant interaction with community.

Since it has been experienced in the near past that digitalization is being done of almost of all the day-to-day activities of general masses, hence it has been decided to keep the **Theme of the NSS activities for the year 2024-25** as under: -

1. Youth for My Bharat
2. Youth for Digital Literacy

Keeping in view the above decision, All College NSS units/ Programme Officers are **requested to organize NSS activities during the year 2024-25 for propagation of My Bharat Portal and Digital Literacy amongst the students as well as general masses** of their respective adopted Village/ Slum and College Campus. Not only the Special Camp be organized under these theme but also special emphasis may be given to these themes during their regular activities.

Looking forward for your co-operation.

Warm Regards,

Yours sincerely,

Mr. Sushil Shinde
